  - the actual expenses; or
  - the reasonable amount that would have been due for equivalent medical treatment in Singapore; whichever is lower.

This section covers **you** for the hospital and surgical expenses (as explained below) if the **insured person** needs to stay in **hospital** as a result of **injury** or **illness** caused or arising in Singapore during the **period of insurance**, as long as those expenses are for a class-B2 or class-C ward in a Singapore government **hospital**, **restructured hospital** or **community hospital**.

This section will also apply if the **insured person** is outside Singapore (with your permission) when they suffer an **injury** or **illness** which results in a serious medical condition, and a **medical practitioner** confirms that the **insured person** needs emergency medical treatment in order to prevent death or serious immediate or long-term health problems.

**We** will reimburse:

- the actual hospital and surgical expenses; or
  - the reasonable amount that would have been due for equivalent medical treatment in a class-B2 or class-C ward in a Singapore government **hospital**, **restructured hospital** or **community hospital**;
- whichever is lower.

**We** will pay up to the limit shown in the **schedule**. **You** will have to pay any expenses over the limit shown in the **schedule**.

If the **insured person** is admitted to a ward better than class-B2 or class-C, the hospital and surgical expenses **we** pay will be reduced by the percentage shown in the pro-rata table below.

If any change increases the risk of a claim or the amount **we** would be liable for, we may charge extra premiums, apply restrictions or special conditions to the cover or cancel the **policy**.

**14. Payment before cover**

- (a) The premium for the **policy** must be paid to us, or the intermediary **you** took the **policy** out through, on or before the start date or renewal date of the **policy**. The premium will be considered to have been paid when:
- cash for the premium is handed over to **us** or the intermediary;
  - a cheque for the premium is handed over to **us** or the intermediary and is not returned unpaid;
  - a credit-card or debit-card payment for the premium is approved by the card issuer; or
  - an electronic transfer or online payment goes through.
- (b) If the premium is not paid on or before the start date or renewal date of the **policy**, no cover will be provided, regardless of any payment you make after that date.
- (c) For insurance cover with a free-look provision (that is, a provision which allows **you** to cancel the **policy** within a specific number of days and get a full refund), **you** can cancel the **policy** by returning this original policy document to us or the intermediary within the free-look period. **We** will refund the premium **you** have paid, as long as **you** have not made a claim, and the cover will be considered to have never been in place.

**15. Sanctions**

**We** will not be considered to have provided cover, and will not be liable to pay any claim or provide any benefit under the **policy**, if doing so may, in our opinion, lead to **us** breaking or going against any sanction, prohibition, restriction or regulations set out by any state, country or organisation that operates across national borders (sanctions).

If **you** or any party associated with the **policy**, such as a policyholder, beneficial owner or an **insured person** (an associated party):

- is marked or listed as a person that sanctions apply to;
- is involved in any way, whether directly or indirectly, with a party that sanctions apply to; or

- 
- d) Hold back any payment, transfer of money, refund or benefit
  - e) Suspend any payment, transfer of money, refund or benefit
  - f) Refuse or reject any transaction or request
  - g) Take any step or action necessary to remove, reduce or minimise the possibility of **us** breaking or going against any sanctions

**You** and any associated party (or both) will indemnify **us** (fully compensate and not hold **us** responsible) for any and all losses, damages, costs and expenses which **we** may suffer as a result of or in connection with **your** or any associated party's actions or failure to act in relation to the sanctions, or **us** taking any of the actions a) to g) above.

**16. Transferring the policy**

**You** cannot transfer **your** rights, benefits and claims under the **policy** without **our** permission in writing.

**17. Reasonable precautions**

**You** must take all reasonable precautions to protect the **insured person** against any **accident, injury** or **illness**.

**18. Our rights in proceedings**

**We** can act on **your** behalf, and in **your** name, to conduct, control and settle any claims against **you**.
